Club Divisions

Women's Division

KenWo has one of the most active women's division in Nova Scotia. Over 175 women take part in casual and competitive events designed to bring them together in a friendly setting on a beautiful course. All female members of KenWo who are aged 19 and over are eligible and are welcome to participate.

Every Thursday morning from early May to the end of September, tee times are reserved for Women's Division golf. Each week is a different format - casual round, team event, competitive or trophy round - usually with prizes. There is a nominal participant's fee to play on Thursdays to cover the cost of prizes and trophies.

Every Tuesday Evening, there is a 9-Hole Women's Social. Come meet new people, play 9 holes, enjoy a delicious meal, win prizes! It's the perfect way to get out and enjoy KenWo! Minimal weekly fee.

Annually KenWo plays host to the Scramble For Cancer Care (fundraising for the Cancer Care Navigation Unit); the Women's Invitational along with the Women's Division Club Opening, Club Closing and Championship.

Men's Division

Our men's division is thriving, with support from the local business community we have a very active Men's league and Men's 9 Hole Social.

We host the annual Apple Blossom invitational in late May and the Coors Light 2-Man Scramble in the fall, attracting players from around the Maritimes to enjoy our course.

Both the Men's League and the Men's Social have a minimal weekly fee.

Seniors Men's Division

KenWo Senior Men's is your opportunity to meet and socialize with your peers, enjoy camaraderie with fellow seniors, stay fit and active while we play for numerous trophies and prizes. Any male KenWo member over 55 is eligible to join the Senior Men's on Wednesday mornings. We shuffle members and times to promote the social aspects of our group while creating balanced teams and use a variety of formats to expand the enjoyment. All of our competitions and scoring are based on percentage handicap for net scoring so every member has a chance to win every week and every competition. Our members have the option of playing 9 holes or playing "Freedom" golf where you don't have to keep score and you don't have to finish a hole. There is a fee that covers the season to join the Sr. Men.

The Sr. Men's Organization also hosts Sr. Men's Opening and Closing Events along with their Club Championship.

Social Events

KenWo is a golf "club" and as such hosts a multitude of social events and tournaments throughout the year for members and their guests.

The season begins with a Club Opening Social and ends with a Club Closing Dinner. In between these great book end events, the club hosts Nine & Dine Social evenings on Friday nights each month, as well as weekly play during the Wednesday Men's Social and the Tuesday Women's Social. The goal is for members to have opportunities to connect with others in the club, while providing an outlet to invite friends and family to the club for an evening of fun.

Junior Programs

The future of the game relies on giving kids a great experience and we're doing just that.

The program is bustling with 150 juniors taking part and is complete with weekly clinics delivered by our professionals. We offer a member only junior tour consisting of competitive and recreational tournaments with amazing support from the local business community and a strong volunteer base.

Our junior program hosts an annual junior invitational, with kids participating from around the province. We also have a fantastic Girls Club with many girls participating and learning through a combination of instruction & play. For more information on Girls Club, please get in touch with lead coach Laura Reid at lreid@kenwo.ca.

There is a Junior Clinic fee for the season and the Girls Club has an additional fee.

Swing Start

The Swing Start membership is for children aged 5 to 8 years old and is designed to introduce the game in a variety of fun activities throughout the summer.

- Open to children ages 5 to 8
- Juniors in this category **MUST** be accompanied by an **ADULT** at all times while on the golf course
