# End of the Year Prize Packages

Over the last couple of years, the Ladies Division has been fortunate to receive the support of several sponsors. Their generosity has allowed the ladies executive to assemble some great prizes packages.

Each member of the Ladies Division is awarded ballots based on their participation in golfing events. Our President, Debbie Gauthier, has gathered draw sheets and kept detailed records of the participants for each applicable event. Thank you Debbie for your hard work in this.

Thank you to all that took the time to complete the survey.

The response was very favorable. Therefore, I will continue with them.

This will be the last one for this year and I will start again in the spring. They will be updated monthly. If you have something that you would like shared with the ladies, please send it along, and I will do my best to have it included.

Happy Thanksgiving to all. I am so thankful for the joy that our game of golf has brought to my life. But mostly I am thankful for the friends I have made along the way.

To those of you who travel to warmer weather - safe travels.

Winter well ladies!!
