Joan Fox is a stableford format. You earn points based on your handicap and net score. A net eagle is 4 points; net birdie is 3 points, etc. Individual score cards along with the scoring guidelines will be prepared for you. We ask that **each person keep their gross score along with their net score and their points** – that makes it much easier for us when determining the winner. This is an 18-hole competition.

The winners from last week – blind holes – 9 hole (blind holes were 1,2,8) winner – Peggy Smith-----18 hole (blind holes were 2,3,7,12,13,18) winner – Cheryl Smith
