

LADIES DIVISION NEWSLETTER

PAGE 1 OF 2

The Ladies Club Championship was held August 12th and 13th. The event was organized by Sonya Major, Vice President, who did a great job and everything ran smoothly. 36 ladies participated in the competitive division and 11 ladies in the non-competitive.

Gwen Phillips opened her home and pool to the participants. As expected, there were lots of munchies and liquid refreshments. No ladies gathering would be complete without a line dancing demonstration lead by Renda VanderToorn. So You Think You Can Dance Ladies of Ken-Wo?? Yes you Can!!

Congratulations to ALL the winners. Kudos to all the participants who came together in fellowship and friendly competition.

Lil Swanburg - golfer, champion, friend

Lillian Swanburg was a long-time member of Ken-Wo who served as a member of the Board of Directors and who was in charge of the Finance Committee when the new Clubhouse was designed and built (1991). She also served as President of the Ladies' Division in 1997-98. Lillian mentored many of the lady members at Ken-Wo in addition to her success in competition. She won the Club Championship on 4 occasions—1983, 1992, 1996, 1999. In 1977 and 2004, Lillian won the Low Net of The Field. Always an able competitor, in 1997, and 2001 she won the M. W. Graves Spring Handicap Trophy awarded on Match Play. Lillian was the recipient of the Woodworth Robinson Two-Ball Trophy in 1983 with Jean DeWolfe and in 1987 with Janet Bowness; and in 1983 she won the Ollie Drysdale Tray. Lillian and Barney Morison donated a trophy for Partners Competition in 1998. This trophy bears her name along with Pat Wallace on four occasions.

At the Provincial level Lillian enjoyed great success—she was Nova Scotia Senior Champion - 1984 and 1988; and Runner-up - 1983, 1985, 1986, 1989, 1990. As a team member she was able to travel to most provinces in Canada having been named to the Senior Team 1981-1994 inclusive, and 1996 and 1999.

In 1994 as a member of the Nova Scotia Senior Team in Charlottetown, PEI, Lillian shot 78 on the first day of play and was named to the Canadian Team which played against the US players over two days. This was a proud moment for Lillian in her golfing career as the Canadian team was usually players from BC, Alberta, and Ontario.

Lil was not able to play golf during the 2010 season, but she remained interested in how everyone was doing and she will be missed greatly by her golfing friends—those at Ken-Wo and others throughout the Province.

PACE OF PLAY

There has been recent communication about the pace of play. A round of golf should take 4 - 4 1/2 hours. **Remember - your position should be directly behind the group a head of you NOT directly in front of the group behind you!!** The slow play of one group affects the pace of all of the groups behind you. Please consider: your choice of tees, be ready when it is your turn, allow groups to play through, walk & talk, move to the next tee to mark the score & store your clubs.....etc. Each person must do their part to assist with the pace of play issues.
