To all members of Ken-Wo Senior Men's
Organization!

“ An Invitation to Volunteer “

For the seasons 2010-2012 the Executive requires
TWO positions to be filled. We are requesting
that all members seriously consider if they could
volunteer their time to fill these very important
positions. If you feel you could give what
amounts to a small portion of your time, and your
expertise, to OUR Golfing Organization, please
call the chairman of the nominating committee
Pat Barry to discuss the details as soon as
possible.
