Senior Men's Competitions

The majority of our competitions are based on Net Scores using **95% of handicap** (as used in 2020). Players therefore are required to maintain an accurate handicap and the Match committee will update its records from the Golf Canada Score Centre weekly (normally at end of day Tuesday).

The World Handicap System relies on posting scores on the day of play. Failure to do so will result in members being excluded from certain events.

To participate in the various competitions, hole-by-hole scores for Wednesday Casual Play should be posted to the Golf Canada website (scg.golfcanada.ca) by the end of day each Wednesday. Competition results as usually published on Thursday.

New in 2021 (replacing Five Low Net Average Competition) will be the Low Net Ringer Board Competition for scores shot during our Wednesday play and the Sr Men's Club Championship.

Casual Play:

Weekly play is usually a stroke play format however there will be Stableford scoring used once a month throughout the 2021 season. In organizing the draw, attempts are made to provide members with a variety of playing partners over the course of the season. Sign-ups will be done electronically via email to kenwoseniormen@gmail.com. The draw is usually completed on the weekend and posted on the KenWo web site on Monday, in the Pro Shop, and emailed to the Senior Men.

Each week, prizes are awarded for 1st and 2nd Low Net scores or High Net Stableford scores.

From time to time, instead of individual play, members will play a team format. Examples might include: Stableford - 4 man teams; 4 Ball Better Ball - 2 man teams; "1-2-3 Best Ball" format; Pinehurst ...

Match Play – Babcock Trophy:

This is a season long 18 hole **Match Play** competition. Play begins in late May and depending on the number of participants, usually concludes in August or early September. Participants are paired for their match on regular Casual Play days and on-going results posted on the Bulletin Board. Prizes are awarded for 1st and 2nd place.

Trophy Competitions

Various season long competitions are held to reward Low Gross and Low Net scores. Gross and net scores are recorded each week.

- **Low Net:**
 - **The Lindsay Trophy** is awarded for the best **Senior Low Net** score for the season,
 - **Eaves Trophy** is awarded for the best **Super Senior Low Net** score for the season
- **Low Gross:**
 - **The Palmeto Cup** is awarded for the overall **Senior single Low Gross score** for the season.
 - **The Rockwell Cup** is awarded for the overall **Super Senior single Low Gross score** for the season.
- **Super Senior 9 Holes Category (70 years of age and above):**
 - **Scotia McLeod Trophy** is awarded for the best **Low Gross front 9 score** for the season.
 - **Canada Trust Trophy** is awarded for the best **Low Net front 9 score** for the season.

Giffin Cup: This is a fun team event at the Senior Men's Closing. A random draw creates teams of comparable ability and competition is for various prizes and the coveted Giffin Cup.

Senior Men's Club Championship:

Open to all Senior male golfers at KenWo, this is a two day competition held in late August. Forth division is played from the Red tees with separate prizes inside the division.
